RESPONSE TO RESTRICTION REQUIREMENT

REMARKS

In response to the office action mailed on December 14, 2004 requiring a restriction, applicants elect for examination with traverse, claims relating to Figures 1A-1D. The claims relating to the figures are claims 1-6 and claims 23-27.

In the restriction requirement, the Examiner states that no generic claim is present. In traverse, applicants submit that claim 1 is a generic claim and note that the species shown in Figures 2, 3 and 4 are claimed in claims 7-22 and 28-35, all of which are dependent directly or indirectly on claim 1.

An action on the merits is respectfully awaited.

Respectfully submitted,  
Gavriel J. IDDAN, et al.
